CITY OF POWELL
Ordinance 2017-62
Exhibit A

Expenditure Adjustments:

Appropriate:

1. The Administration Department has had to use temporary employees periodically throughout the year, due to various leaves of absence. This has caused the salaries and wages appropriation to be short. We are requesting additional funds to cover the cost of salaries and wages through the end of the year.

General Fund, Administration Department, Personnel Services	**$**	**3,000.00**
