Expenditure Adjustments:

Appropriation Revised:

1. On September 4th, City Council approved Resolution 2018-16 to authorize the City Manager to prepare and submit and application to Particiapte in the Ohio Public Works Commission Local Transportation Improvement Program. Part of the application involves the Finance Director signing a "Certification of Local Funds" statement. This statement certifies that the City has the funds available and those funds will be used to pay the local share of the project known as the Liberty Road and Seldom Seen Road when it is required.

In order for the Finance Director to sign this statement, the City needs to go ahead and appropriate those funds so the funds can be dedicated to the project. The amount was changed from $289,000 to $293,000 based on new information from Delaware County.
