

Young Residents Workshop – Participant Responses

1. What do you like about Powell?

- Local Roots, Graters.
- I like how it's nice and safe, small and cozy.
- Trinity All-Stars Cheer & Gymnastics, The Powell Festival, the splash pad, Rita's, the pool.
- I love Rita's and Local Roots.
- I like how we have different festivals around here a lot.
- I like how Powell is becoming more modern and how new styles are coming to our community.
- Easy to run, convenient shop placing, accessibility.
- I like how everyone is close and kind of knows each other. I also like how shopping places aren't very far from home.
- I like that I am close to the zoo, friends and I can walk to the shops.
- I like that you have everything mostly around the same place. For example, I can go to the dry cleaners, then walk across the street and get groceries.
- I like that I have friends in Powell.
- I like that Powell has roundabouts.

2. What would you change about Powell?

- I would like to see a place where you could hang out with your friends.
- I would love more known businesses in downtown.
- Nothing, I love everything!
- I want to change the splash pad and make it bigger! More shopping.
- I would change some of the shops because they are for old people and add some younger kid's shops.
- I don't like how there are still older, more unappealing shops and (people) places in our community.
- Education system, no indoor track, lack of mist sprayers.
- Bigger parks, maybe updates? More little neighborhoods, less huge neighborhoods that keep adding houses.
- I would change the splash pad so it is bigger so all kids could have more room to play.
- I think Powell could use a bike lane. If people want to ride their bikes on the road, they could ride in that lane. Also, it is safer for them.
- I would like a dog park.
- I would change the housing. I think the homes need to be neon!
