- (a) The Finance Director shall collect and receive the tax imposed by this chapter in the manner prescribed by this chapter, and he/she shall also keep an accurate record for a minimum of six (6) years showing payment received by him from each taxpayer and the date of the payment.
- (b) The Finance Director is hereby charged with the administration and enforcement of the provisions of this chapter and they are hereby empowered to adopt and promulgate and to enforce rules and regulations relating to any matter or thing pertaining to the administration and enforcement of the provisions of this chapter, including provisions for the re-examination and correction of returns and payments. Taxpayers are hereby required to comply with said rules and regulations.
- (c) In any case where a taxpayer has failed to file a return or failed to pay the tax due on a return or has filed a return which does not show the proper amount of tax due, the Finance Director may determine the amount of tax appearing to be due the City from the taxpayer based on any information in the Finance Director's possession and shall send to such taxpayer a written statement showing the amount of tax so determined, together with interest and penalties thereon, if any. Such determination may be modified or amended based upon information or data subsequently secured by or made available to the Finance Director. If the taxpayer fails to respond to the assessment within 30 days, the tax, penalties, and interest assessed shall become due and payable and collectible as are other unpaid taxes, penalties, and interest.

181.10 INVESTIGATIVE POWERS OF THE FINANCE DIRECTOR

- (a) The Finance Director is hereby authorized to examine the books, papers, records and federal and State income tax returns of any employer or of any taxpayer or person subject to, or who the Finance Director believes is subject to, the provisions of this chapter for the purpose of verifying the accuracy of any return made, or, if no return was made, to ascertain the tax due under this chapter, every such employer, supposed employer, taxpayer or supposed

taxpayer is hereby directed and required to furnish within ten (10) days following a written request by the Finance Director the means, facilities and opportunity for making such examinations and investigations as are hereby authorized.

- (b) The Finance Director is hereby authorized to order any person presumed to have knowledge of the facts to appear before him and may examine such person, under oath, concerning any income which was or would have been returned for taxation or any transaction tending to affect such income. For this purpose, the Finance Director may compel the production of books, papers, records and federal and State income tax returns and the attendance of all persons before him, whether as parties or witnesses, whenever he/she believes such persons have knowledge of such income or information pertinent to such inquiry.
- (c) The refusal to produce books, papers, records and copies of federal and State income tax returns, or the refusal to submit to such examination by an employer or person subject or presumed to be subject to the tax, or by an officer, agent or employee of a person subject to the tax or required to withhold tax, or the failure of any person to comply with the provisions of this section or with an order or subpoena of the Finance Director authorized hereby, shall be deemed a violation of this chapter, punishable as provided in this chapter.
- (d) Every taxpayer shall retain all records necessary to compute his or her tax liability for a period of six (6) years from the date his or her return is filed or the withholding taxes are paid.

181.11 TAX INFORMATION CONFIDENTIAL

Any information gained as the result of any returns, investigations hearing or verifications required or authorized by this chapter shall be confidential, except for official tax purposes, or except in accordance with proper judicial order, or except as hereinafter provided. The Finance Director may furnish the Internal Revenue Service, Treasury Department of the United States, the Finance Director of Ohio, and the duly authorized income Finance Director of any other city or state with copies of the returns filed. The Finance Director is also authorized to enter into agreements for the exchange of any information with any of the foregoing federal, State or Municipal officials. Any person divulging information, except as herein before authorized, shall, upon conviction thereof, be deemed guilty of a third degree misdemeanor and shall be subject to a fine of not more than five hundred dollars (\$500.00) or imprisonment for not more than six months, or both. Each disclosure shall constitute a separate offense.

181.12 COLLECTION OF UNPAID TAXES

- (a) All taxes imposed by this chapter shall be collectible together with any interest and penalties thereon, by suit, as other debts of like amount are recoverable.

- (b) The Finance Director is authorized to institute civil law suits to collect delinquent taxes due and owing the City by virtue of the provisions of this chapter. The Finance Director is authorized to waive penalties and interest and compromise tax liability and the right to accept waiver of State Statutes of Limitation.
- (c) Except in the case of fraud, omission of twenty-five percent of income subject to this tax or failure to file a return, an additional assessment shall not be made after three years from the time the return was due or filed, whichever is later. In the case of fraud, omission of 25% or more of income subject to this tax, or failure to file a return, all additional assessments shall be made and all prosecutions to recover Municipal income taxes and penalties and interest thereon shall be brought within six (6) years after the tax was due or the return was filed, whichever is later. However, in those cases in which the Commissioner of Internal Revenue and the taxpayer have executed a waiver of the Federal statute of limitations, the period within which an additional assessment may be made by the Finance Director shall be one year from the time of the final determination of the Federal tax liability.
- (d) Taxes erroneously paid shall not be refunded unless a claim for refund is made within three years from the date when such payment was made or the return was due or within three months after final determination of the Federal tax liability. In addition, the following shall apply regarding refunds of tax withheld from non-qualified deferred compensation plans (NDCP):
1. A taxpayer may be eligible for a refund if the taxpayer has suffered a loss from a NDCP. The loss will be considered sustained only in the taxable year in which the taxpayer receives the final distribution of money and property pursuant to the NDCP. Full loss is sustained if no distribution of money and property will be made by the NDCP.
 2. A taxpayer who receives income as a result of payments from a NDCP, and that income is less than the amount of income deferred to the NDCP and upon which municipal tax was withheld, then a refund will be issued on the amount representing the difference between the deferred income that was taxed and the income received from the NDCP. If different tax rates applied to the tax years in which deferrals, a weighted average of the different tax rates will be used to compute the refund amount.
 3. Refunds shall be allowed only if the loss is attributable to the bankruptcy of the employer who had established the NDCP, or the employee's failure or inability to satisfy all of the employer's terms and conditions necessary to receive the nonqualified compensation.
- (e) Income tax that has been deposited with the City, but should have been deposited with another municipality, is allowable by City as a refund but is subject to the three-year limitation on refunds. Income tax that should have been deposited with the City, but was deposited with another municipality, shall be subject to recovery by the City. The City will allow a non-refundable credit

for any amount owed the City that is in excess of the amount to be refunded by the other municipality, as long as the tax rate of the other municipality is the same or higher than the City's tax rate. If the City's tax rate is higher, the tax representing the net difference of the rates is also subject to collection by the City.

- (f) In the case of delinquencies, payments received shall first be applied to delinquent penalties and interest, beginning with the oldest delinquency. Upon satisfaction of this debt, payments shall then be applied to delinquent taxes, beginning with the oldest delinquency.
- (g) Additional amounts of less than one dollar (\$1.00) shall not be refunded or assessed unless such assessment results from income which the taxpayer has failed to report.

181.13 CREDITS

Every individual taxpayer who resides in the City but who received net profits and income for work done or services performed or rendered outside of the City, if it be made to appear that he/she had paid a municipal income tax or excise tax based on income, on such net profits and income in another municipality, shall be allowed a credit for the amount so paid by him or in the taxpayer's behalf in such other municipality, but the credit shall not exceed one-fourth of one-percent (.25%) of the tax assessed by this chapter. The net tax due the City after application of the credit shall be a minimum one-half percent (.50%).

All taxes imposed, and all moneys withheld or required to be withheld by employers under the provisions of this chapter and remaining unpaid after they become due shall bear interest, in addition to the amount of the unpaid tax, at the rate of one and one-half percent (1.5%) per month or fraction of a month thereof.
- (b) In addition to interest as provided in paragraph A hereof, penalties based on the unpaid tax are hereby imposed as follows:
 - 1. For failure to pay tax due, other than taxes withheld, one percent (1%) per month or fraction of a month thereof.
 - 2. For failure to remit taxes withheld from employees, three percent (3%) per month or fraction of a month thereof. The total penalty shall not exceed fifty percent (50%) of the tax due.
 - 3. Any person required to file a tax return with the City and who fails to file, or to timely file, a return shall be liable to pay a penalty to fifty dollars (\$50) for the first instance and one hundred dollars (\$100) for each subsequent instance, even if no tax is found to be due.

4. A penalty shall not be assessed on an additional tax assessment made by the Finance Director when a return has been filed in good faith and the tax paid thereon within the time prescribed by the Finance Director; provided further, that, in the absence of fraud, neither penalty nor interest shall be assessed on any additional tax assessment resulting from a federal audit, providing an amended return is filed and the additional tax is paid within three months after final determination of the federal tax liability.

- (c) The Finance Director or the Board of Appeal may abate penalty or interest or both.
- (d) In no case shall penalty and interest charges be levied when the total of such penalty and interest is less than one dollar (\$1.00).
- (e) Any person required to withhold the tax, who knowingly fails to withhold such tax or pay over such tax or knowingly attempts in any manner to evade or defeat such tax or the payment thereof, shall, in addition to other penalties provided by law, be liable to a penalty equal to the total amount of the tax evaded or not withheld or not paid over. No other penalty under this section shall be applied to any offense to which this penalty is applied.

 - K. Attempt to do anything whatsoever to avoid the payment of the whole or any part of the tax, penalties, or interest imposed by this chapter.
2. Whoever violates Section 181.14(f)1 shall for the first offense, be guilty of a misdemeanor of the fourth degree and shall be fined not more than two hundred fifty dollars (\$250) and/or imprisonment not more than three (3) months, or both. Each subsequent offense shall be a misdemeanor of the third degree, resulting in fine of not more than five hundred dollars (\$500) and/or imprisonment not more than six (6) months, or both.
 3. Any employee of the City who violates the provisions of the chapter relative to the disclosure of confidential information shall be guilty of an offense punishable by immediate dismissal.
