

Expenditure Adjustments:

Appropriate:

1. The City is involved in several ongoing legal cases, which have caused higher than anticipated legal expenses for 2017. The City is anticipating reimbursement from CORMA for one case, the one regarding Golf Village North, LLC (USDC Action); currently that reimbursement totals \$43,495.82. We are requesting additional appropriation to cover these higher than anticipated legal expenses.

General Fund, Legal fees	\$	50,000.00
