

**CITY OF POWELL
Ordinance 2017-48
Exhibit A**

Expenditure Adjustments:

Appropriate:

1. The City this year implemented body camera to coordinate with the new video cruiser system. The City purchased 12 body cameras (based on the number of officers on only 1 shift) with other body cameras to be purchased in future years. The City applied for a grant to pay for the additional body cameras which it received. The funds (\$9,000) have been deposited into the General Fund and the City needs an appropriation so it may spend those funds.
