Ordinance 2017-59
Exhibit A**

Expenditure Adjustments:

Appropriate:

1. The City utilizes the Delaware County prosecutor's office for cases related to City of Powell Police citations and arrests. The cases are billed on a per case basis and during 2017 we have seen a large increase in the number of cases being prosecuted. We would like to request additional appropriations to ensure that the funds are available to cover the cases prosecuted in the fourth quarter of 2017.
