## Final Planned District Development Plan Application Requirements and Procedures for Approval

---

### 1143.11 Procedures for Approval of Planned District Development Plans

Planning  
Urban Design  
Landscape Architecture

(c) **Preliminary Planned District Development Plan Application Requirements.**

An application for preliminary Planned District Development Plan approval shall be filed with the Zoning Administrator by the owner of the property for which a planned District development is proposed. At a minimum, the application shall contain the following information, which shall be filed in fifteen (15) copies. Where any of this information is missing or incomplete, the Zoning Administrator shall so notify the applicant and no additional actions need be taken until such missing material is provided.

(i) **Final Development Plan Application Contents.**

An application for approval of the final development plan shall be filed with the Zoning Administrator by the owner of the property for which planned district development is proposed. Each application shall be signed by the owner, attesting to the truth and exactness of all information supplied on the application for the final development plan. Each application shall clearly state that the approval shall expire and may be revoked if construction on the project has not begun within two (2) years from the date of issuance of the approval.

(1) **Name, address, and phone number of applicant**

Transform Construction LLC, 1171 Chesapeake Avenue, Columbus, OH 43212; Joshua Weir, 614.291.7799

(2) **Name, address, and phone number of registered surveyor, registered engineer and/or urban planner assisting in the preparation of the preliminary development plan**

12. Overall site development statistics comparing this plan for development with requirements of this Zoning Ordinance and with the comprehensive plan and indicating that all requirements of this Zoning Ordinance and the comprehensive plan have been met in this preliminary plan and will be met in final development

This application is in conformance with the principals of the comprehensive plan (Mixed Use Village Center) and the visioning for the type of development that was intended for the subject site. The plans also incorporate feedback from both city staff and the Planning Commission from Sketch Plan Review as well as from the approved Preliminary Development Plan application.

- L. Projected development schedule by subareas of the entire planned development site, and for the first, or next phase of development, including land uses, public areas, natural and scenic reserves, streets, buildings, utilities, and other facilities, indicating the relationship of the proposed development to existing and probable uses of surrounding areas during the development timetable

Pending approval with City of Powell, construction would begin September 2016 with anticipated completion being March 2017. Both buildings would be constructed simultaneously.

- M. An overall traffic scheme, illustrating points of access, parking areas, including the number of parking spaces and indicating visitor, employee and service traffic flow, illustrating calculated peak hour traffic use for residents and employees as well as deliveries and other transport and the effect of this traffic on the community traffic ways

A traffic study for the subject site and adjacent office building as well as the Traditions at Powell was submitted with the original Rezoning/FDP in 2008. The required improvements to W. Olentangy Street were completed at the time of the construction of the Traditions at Powell. No further required improvements have been identified at this time or are anticipated.

- N. If to be developed in phases, the entire site development shall be described in outline and diagrammatic plan form, and in a

complementing detailed text in a manner calculate to assure City officials that Planned Development requirements and other requirements of this Zoning Ordinance shall be met in the detailed development of the phases to follow, and that the entire Planned Development area will meet all of the requirements of this Zoning Ordinance, such diagrams and descriptive texts being accepted with, and becoming a part of the extended zoning plan for the entire site

Development is not anticipated to be developed in Phases.

- (9) Evidences of the ability of the applicant to carry forth its plan by control of the land and the engineering feasibility of the plan, and that the applicant has sufficient control over the land and financing to initiate the proposed development plan phase within two (2) years

The developer has secured private funding source to implement its plans and has the financial means to purchase and subsequently construct the two proposed buildings and associated site details. The subject property is under contract contingent upon zoning approval. Pending approval from the City of Powell, the developer will formally purchase the property and continue with the necessary approvals/permits.

- (10) Evidence of the applicant's ability to post a bond if the plan is approved assuring completion of public service facilities to be constructed within the project area ty the developer

The developer has secured private funding source to implement its plans and has the financial means to purchase and subsequently construct the two proposed buildings and associated site details.

- (11) Verification by the owner of the property that all the information in the application is true and correct to the best of his knowledge

The applicant confirms that all the information provided in this true and correct to the best of their knowledge.

- (12) A statement of the character and nature of the development including the cost range of rent levels for housing in residential development and the general types of business or industrial and commercial developments

The proposed commercial uses for the two buildings will be in conformance with those permitted under the Downtown Business District Standards. Anticipated users will be a restaurant and a mix of general retail.

Planning  
Urban Design  
Landscape Architecture

- (13) A statement of the general impact the development will have on the infrastructure, municipality and schools including projected demographics, a traffic impact study and a fiscal impact analysis may be required by the Planning and Zoning Commission

The uses proposed will not impact the schools in the Powell area given no residential uses proposed. The necessary traffic related infrastructure improvements have already been performed so no additional impact will result from the construction of this development.

& DESIGN, LLC

- (14) A fee as established by ordinance

A fee of \$690.00 has been submitted with this application for Final Development Plan Approval.

**EASEMENT(S) FOR PARKING AND USE OF DUMPSTER  
POWELL NEW DEVELOPMENT OHIO, LLC**

This Agreement made this \_\_\_\_ day of \_\_\_\_\_, 2016 by and between POWELL NEW DEVELOPMENT OHIO, LLC, an Ohio limited liability company ("New Development") and PORTSIDE DEVELOPMENT, LLC, an Ohio Limited Liability Company ("Portside").

**BACKGROUND INFORMATION**

New Development is the owner of certain property situated in the State of Ohio, County of Delaware, City of Powell and more particularly described on Exhibit "A" shown on Exhibit "C".

Portside is the owner of certain property situated in the City of Powell, County of Delaware, State of Ohio as described on Exhibit "B" and shown on Exhibit "C".

The properties described in Exhibit "A" and Exhibit "B" are contiguous and New Development and Portside are desirous of setting forth certain easements for ingress, egress, parking and trash removal in accordance with the terms and conditions as set forth herein.

THEREFORE, FOR GOOD AND VALUABLE CONSIDERATION, the parties hereby agree to the following:

**STATEMENT OF AGREEMENT**

The aforesaid Background Information is incorporated herein.

The New Development hereby grants to Portside a perpetual, non-exclusive over, on and through the property described in Exhibit "B" for vehicular and pedestrian ingress and egress.

Portside hereby grants to New Development a perpetual, non-exclusive easement over, on, through and under the property described in Exhibit "A" for vehicular and pedestrian ingress and egress. Portside further grants to New Development a perpetual non-exclusive easement for the use of six (6) parking spaces for the New Development patrons to use after 6:00 P.M. New Development shall place signage on the six (6) spaces specifically setting forth only after 6:00 P.M.

New Development grants to Portside a non-exclusive easement for access to and use of the dumpster shown on Exhibit C. The parties agree to share the cost of the dumpster based on percentages agreed upon between the parties.

The term "Common Area" shall mean the portion of the property described in Exhibit "A" or "B" which is used to provide vehicular access to ingress, egress to streets, highways and alleys adjacent to or abutting the property and the sidewalks and walkways located on the property as well as such portions of the property and the sidewalks and walkways located on the property. Both parties reserve the right to change or modify their respective common areas at their respective

individual expense, provided said change or modification does not materially interfere with the rights granted in this Agreement.

In the event of failure of any owner of the property described in Exhibit "A" or "B" to timely pay any costs or expenses it's obligated to pay hereunder, the delinquent amount shall constitute a lien on its property and shall accrue interest at the rate of eighteen percent (18%) per annum until paid. Any such lien shall be evidenced by the recording of a notice of lien or other affidavit with the Recorder of Delaware County, Ohio containing the legal description of the property and the date in which said amounts were due and payable. This lien shall encumber the property owner's entire interest in the property in favor of the affected owner and may be enforceable in the same manner as a mortgage with all the rights and remedies by the laws of the State of Ohio to secured creditors in such proceedings.

The easements and rights herein shall be deemed covenant running with the land and shall inure to the benefit of and be binding upon the parties, their successors and assigns.

IN WITNESS WHEREOF, the parties have set their hand as of this \_\_\_\_ day of \_\_\_\_\_, 20\_\_.
