Revised February 2016

In Your Neighborhood

Clinic Services

Newborn HOME VISITING PROGRAM

- Available for **ALL** residents and newborns living within Delaware County, including foster and adopted families.
- All home visits are **free** of charge.
- A registered nurse from the Delaware General Health District visits new families in the comfort of their homes.

Families will receive a **special bag** during their newborn home visit, which includes a lot of information to help you **care for your baby**.

A Newborn Home Visit INCLUDES:

- Breastfeeding support offered by a certified lactation specialist
- Newborn & mom health checkup including baby's weight check
- Information on normal baby growth, safety, nutrition & immunizations
- Referral and linkage to other services
- Confidential and sensitive care
- Interpreter services available

**To make an appointment or for more information
call 740-203-2040**
