3093 -- PETITE CHEFS COOKING CAMP		AGES 7-14		9AM-5PM		JUNE 19 - 21	
*This is a short week due to Powell Festival.	Petite Chefs are sure to love this week filled with learning new skills, making your own food, and some of the yummiest field trips ever! These four days will help you to develop a passion for cooking while you learn new skills, make your own food, and take some of the yummiest field trips ever! We will be making our own lunches each day as well as a snack, and visiting Woodhaven Farm with Chef Tami in her professional kitchen! Then on Friday FUNday we head to the Glass Rooster Cannery where we'll make our own jam and learn about where our food comes from before it ends up on our table!						
	This week is only three days, but you'll be able to spend some of your long weekend celebrating our town at the Powell Festival! *Please let Miss Gina know ahead of time if you have any allergies, especially when it comes to food.

TEEN TRIPS		AGES 12-18			
Fishing Trip	May 25 8am-6pm	The Powell Police invite you to join some of the officers as they drive up to Lake Erie to spend the day fishing on a charter boat. We'll try to catch perch and walleye while you interact with the officers doing one of the most historic activities known to man. Pack a snack, lunch, and water bottle. All fishing supplies are provided. If you'd like to bring home your fish, plan to bring some extra money to get them cleaned on site. *Don't forget to bring activities for the drive. Electronics will be permitted in the van, but not on the water.			
			TH	\$85/\$94	
Teen Canoe Trip	June 15 9am-6pm	One of the summers most exciting adventures is up to Loudonville, OH where some of the Powell Police will cook you lunch before heading out to canoe on the Mohican River for the afternoon. We'll bring you some donuts for the morning drive and stop for ice cream on the way back so bring some cash. *Don't forget to bring a towel, change of clothes, and some activities for the drive. Electronics will be permitted in the van, but not on the water.
