Ofc. Josh Waymire
Powell Police Department
Powell, OH 43065

Dear Office Waymire,

Thank you once again for the tour you gave to our scouts the week of January 23rd. The scouts enjoyed seeing everything in the police station very much and the parents appreciated your patience with our scouts. The tour was very informative as well as fun and the following week the scouts wanted to talk about the tour through our whole den meeting. This week we worked on thank you cards to show our appreciation for your efforts and I have enclosed the scouts' cards with this letter. They are a fairly creative bunch when it comes to expressing themselves, but each of them was as excited as I've seen them recently when talking about the tour.

Again, thank you for the tour. And please give my thanks to the others at the station who helped make the experience so great for our scouts.

Sincerely,

Jeremy Morris
