

S L A T E

Slate is a cool gray with a beautiful green undertone—exactly like real slate. This shade coordinates well with both grays and greens on the cool side as well as with white, cream, and ivory exteriors. A roof done in Slate will add a warm and inviting feel to any home.

P E W T E R G R A Y (Regional)

Pewter Gray provides dramatic presence when paired with contemporary exterior color palettes, as well as with stucco or brick facades. This elegant color is at ease in any situation, giving you the freedom to reimagine your home in another place and time.

NOTE: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

SANDUSKY SHORE LIMESTONE

ProVia's stone collection designs begin with hand-selected stones from unique geographical regions.

SILHOUETTE LEDGE

The depth of this "rugged-textured" pattern is suggestive of the irregular stone found in frontier living.

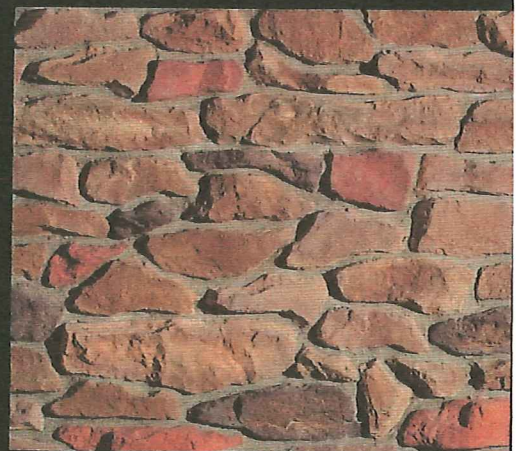

Suede #16018565

Catalina #16069025

Silhouette Ledge is a recognizable pattern with its irregular shaped stones.

Suede #16018565
