Will be developing this lot into a 60x60 garage and splitting it down the middle. I will be occupying inside mainly for garage space and over flow parking for Elite Land Title on Lincoln Street.

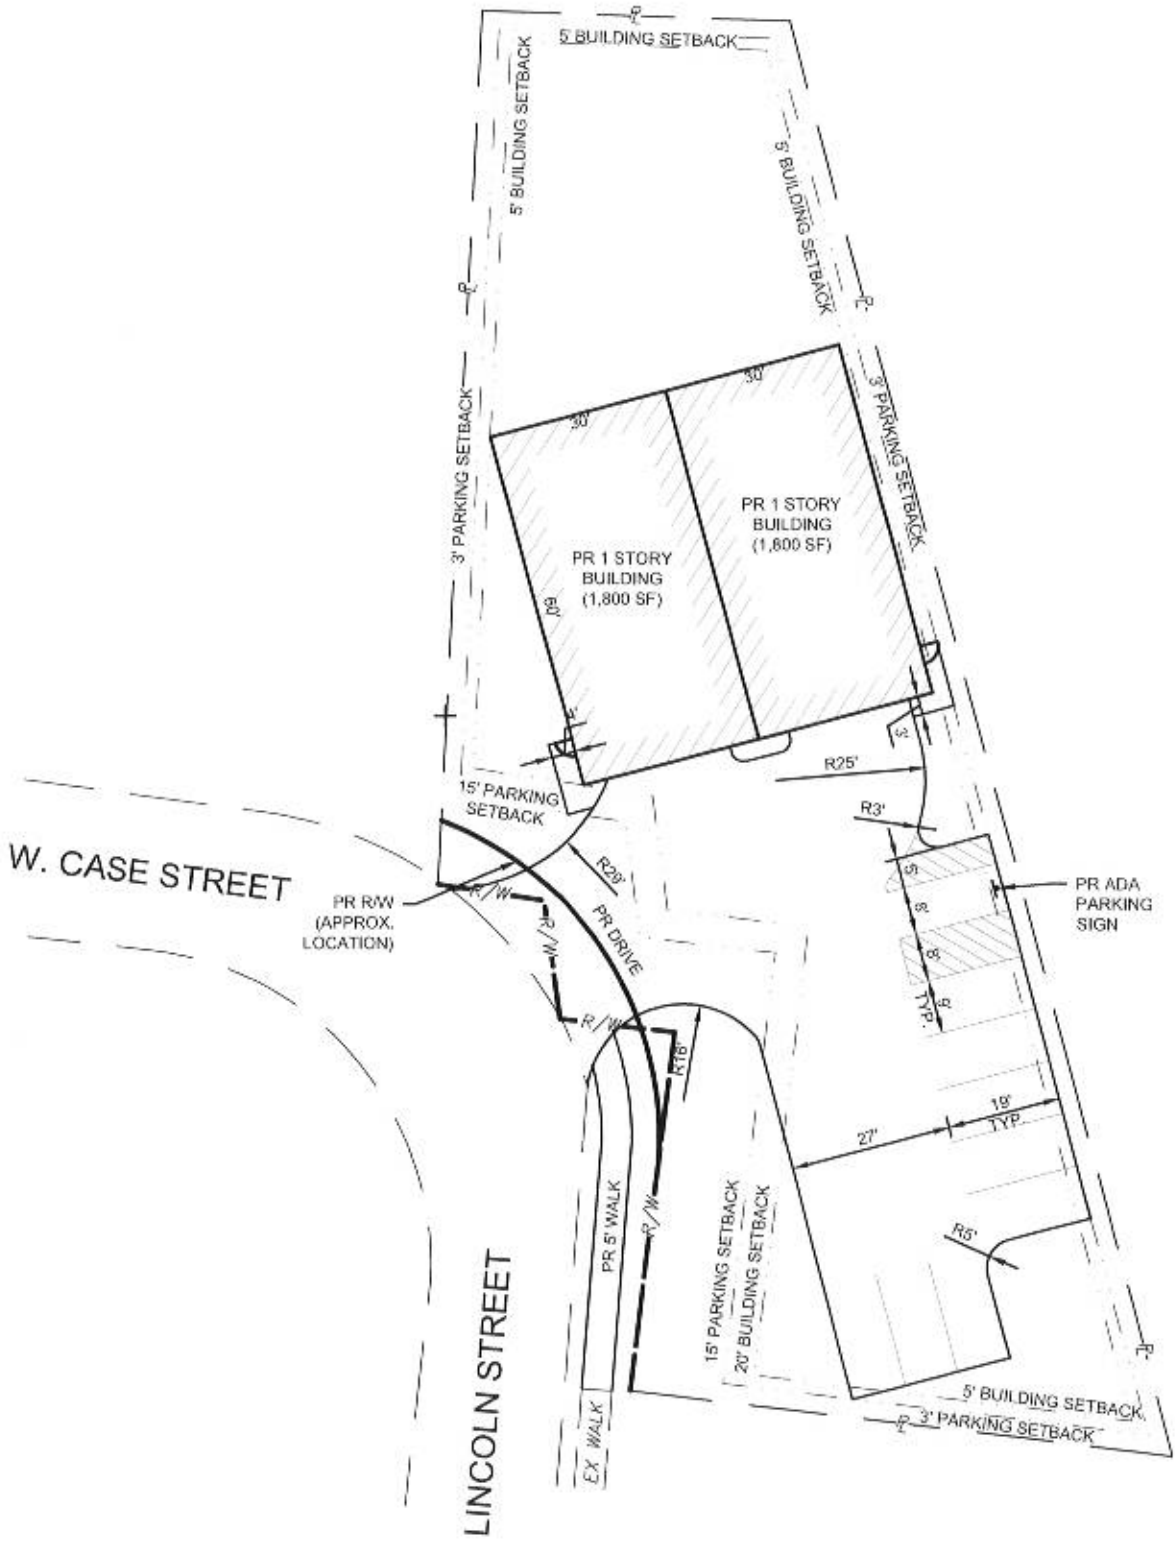

The other side I will rent out to a small contracting company or landscaping company or something of this nature I have no tenant at this time.

This lot has many challenges shape, railroad tracts being just a couple. I believe we have come up with a plan that works for my needs and to turn a not so great looking site into something positive.

SITE NOTES:

1. PARKING REQUIRED = 3,600 SF (1 SP/400 SF) = 9 SPACES
2. PARKING PROVIDED = 9 SPACES (INCLUDING 1 ADA SPACE)
3. GIS DATA USED FOR EXISTING SITE LAYOUT. ALTA SURVEY RECOMMENDED PRIOR TO FINALIZING.
