Dear Powell PD,

Thank you to your detectives, officers, and dispatchers for your assistance in all issues with ORC theft while I was AP leader at Target. During my time I have learned what it is to be a professional and detailed in my work. It is through observing your detectives and officers that I have been inspired to follow my next career path in the Seattle area. As I move I look to take my experiences to hopefully become successful in my aspirations. Thank you for all you've done.

Sincerely,
Brian McLarson
