

Expenditure Adjustments:

Appropriate:

1. The Seldom Seen TIF note is being refinanced into another one year note in August. The issuance costs were not appropriated at the time of the budget because the City staff was unsure of what direction we were going to go. Final numbers are now in and we are requesting an appropriation to cover the issuance costs associated with this note refinance.

Debt Service Fund (Fund 310), Issuance Costs	\$	20,150.00
