HIGHLIGHTS-

- Ordered a new Engine/Rescue and encumbered money for its purchase and to replace old out dated equipment- Cost will be no more than \$700,000.
- Interviewed candidates to hire as a second part-time firefighter per day. This addition and some other creative staffing ideas that we are going to implement will allow for the potential to have a 3rd medic unit available plus a Battalion Chief position filled on most days.

ADMINISTRATIVE-

- Chief O'Brien will be off for the first two week of February attending a class at the National Fire Academy on Financial Management for the Fire Service

Feel free to contact me at any time should you have questions/comment/concerns about any Fire Department issues.

Respectfully submitted-

Thomas J. O'Brien

Fire Chief- Liberty Twp.
