Officer Dennison, 10.14.18

Just wanted to send a note of thanks to you & your partner for helping me out a few weeks back when my tire blew out. It's really comforting to know that officers like you are really out there, who take the time to make sure everyone in the community is safe.

Powell Police Department,

Our early preschool room from The Teaching Tree Preschool wants to thank you for putting your life on the line everyday to keep us safe! We talked about community helpers this week and we focused on police officers. We observed fingerprints, learned how to call 9-1-1 when we have a emergency and learned the role of police officers.

Thank you again,
