(Ordinance 87-26, 10-20-1987)

## Contractor Registration Fees

**Fees will be double for contractors found to be working without registration.**

Annual Registration (per Company per year)	\$60.00
--	---------

## Development Fees

The following fees shall be paid at the time a zoning certificate is requested.

- A. For each residential subdivision or development, a fee of \$400.00 per dwelling
- B. For each commercial or industrial subdivision of or development, a fee based on the total building area per floor under the following fee schedule:

0 - 2,000 Sq. Ft.	\$500.00
2,001 - 10,000 Sq. Ft.	\$0.30 per Sq. Ft.
Over 10,000 Sq. Ft.	\$0.35 per Sq. Ft.

- C. For the purpose of determining this fee:
  - 1. Each building shall be taken separate from other buildings on the same tract or lot, and
  - 2. Covered storage which has at least two sides open without partial or total walls shall be excluded from the total building area used to calculate the fee.
- D. Any building in existence or for which a building permit has been issued on the effective date of this resolution shall be exempted from the fee except:
  - 1. The added area of additions to commercial or industrial buildings, with the fee rate being based on the new total building area, and
  - 2. That the change of use of an existing residential building to a commercial or industrial use shall require a payment of a fee equal to the difference between the fee for residential use and the fee for commercial or industrial use

## Development Plan Filing & Review Fees

The following fees shall be paid at the time of the submission to the Planning & Zoning Commission:

A. Pre-application Meeting Sketch Plan	\$ <del>400</del> <u>500</u> .00
B. Preliminary Development Plan or Preliminary Plat per acre*	\$ <del>400</del> <u>500</u> .00 plus \$ <del>60</del> <u>100</u> .00
C. Final or Combined Preliminary/Final Development Plan per acre*	\$ <del>600</del> <u>700</u> .00 plus \$ <del>90</del> <u>100</u> .00
D. Amendment to Approved Development Plan	\$550.00
E. Administrative Review	\$300.00

\*Note: Above per acre shall be calculated using the total gross acres contained within the development.

## Development Recreation Fees

### A. Planned Residence District Developments

#### 1. Public Land Dedication

Planned Residence District developments shall provide, as part of the minimum open space to twenty percent (20%) of the gross acreage proposed for development, land suitable for public parks and playground facilities as reviewed and recommended by the Park & Recreation Advisory Board and Planning and Zoning Commission, with final approval by Council. The minimum land dedication requirement shall be .05 acres per dwelling unit proposed.

#### 2. Park Fee in Lieu of Dedication

Should public land dedication be deemed inappropriate or unfeasible, the Municipality shall require an applicant to pay a park fee in-lieu-of land dedication. The per unit fee will be collected at the time of Final Plat approval is requested and shall be based on the total number of units contained within the final plat as determined by using the following formula:

a. Total number of dwelling units = (1)

b. Required land dedication = (1) x .05

c. The estimated average value of land per acre shall be established every time the Delaware County Auditor performs the Triennial Revaluation and Sexennial Reappraisal of property values within Delaware County by utilizing a GIS analysis of said land valuation. The specific GIS analysis utilized is on file with the City Finance Director and is titled "City of Powell Recreation Fee Evaluation" which is adopted by Council as part of this Fee Schedule. This value is currently \$75,000 per acre based upon the 2005 Triennial Revaluation performed by the Delaware County Auditor.

d. Value of land dedication: (a) x (b)

B. All Other Residential Developments \$3,750.00 per unit\*

C. Non-Residential Development \$3,750.00 per gross acre\*

Note: B & C above shall be collected when building permits or zoning certificates are requested.

The figures shown for these fees are adjustable based upon the outcome of the GIS analysis report of land valuation as determined by the County Auditor on file with the Finance Director titled "City of Powell Recreation Fee Evaluation."

Note: It is intended that the Park Fee In-Lieu-of Dedication will automatically change depending upon the outcome of the Delaware County Auditor's Triennial Revaluation or Sexennial Reappraisal.

Note: The change in use of an existing residential building to a non-residential use shall require payment of a fee which is 10% of the fee described in "C" above.

- 1329.13 – Fees Required; Double Fees.
  - (a) Any person desiring to do or cause to be done any work for which a permit is issued shall pay fees as provided on the Fee Schedule established by the Council and in force on the date permit is issued or the approval is given.
  - (b) Where work for which a permit is required by the Building Code is started or proceeded with, prior to obtaining such a permit, the fees shall be doubled but the payment of double fees shall not relieve any persons from fully complying with requirements of the Building Code in the execution of the work nor from any other penalties prescribed.
