

**CITY OF POWELL
Ordinance 2019-07
Exhibit A**

Expenditure Adjustments:

Appropriate:

1. The City has a contract to purchase salt through a co-operative purchasing agreement. The current contract is with Compass Minerals. With the harsh winter we have had so far, we are anticipating a need to either purchase additional salt from Compass Minerals or to have to go to the Delaware County Engineer to purchase salt to get us through the winter months. We are requesting additional funds to cover these purchases should they be needed.

Street Maintenance and Repair Fund (211), Snow and Ice Removal	\$	50,000.00
