Powell City Council approved the annexation, final development plan and zoning map amendment for [The Ohio State University Wexner Medical Center's](#) Ambulatory Care Facility during last night's meeting. The plan proposes to construct a medical office building, ambulatory care center and hospital on 44 acres at the northeast corner of Sawmill Parkway and Home Road. This will be the single largest economic development project in Powell's history.

The City and the [Ohio Department of Transportation - Columbus District 6](#) are planning to resurface a portion of Sawmill Parkway between Seldom Seen Road and Home Road in the spring of 2020. Many of our residents and businesses located north of Seldom Seen Road should have received a letter in the mail this week about the project.
