

**CITY OF POWELL  
Ordinance 2020-03  
Exhibit A**

**Expenditure Adjustments:**

**Appropriation Funds:**

An increase to the General Fund Operating Expenditures is requested to provide signage for a standard detour for downtown SR 750. Appropriately detouring roadways can be cost prohibitive to many event organizers that may want to utilize a street closure to put on an event. A significant portion of the proposed signage is not specific to SR 750 and can be utilized to allow for events to be held elsewhere in the City if needed.

<b>General Fund, Public Service, Operating Expense, Signage</b>	<b>\$6,700.00</b>
