RE: Finance Reports – March 2020

Andy, Steve and Council Members,

The finance reports for the month of March 2020 are included for your review and subsequent approval at the April 21, 2020 Council meeting. As you know, the Finance Committee meeting that was scheduled for April 14, 2020 was cancelled; therefore, I have included the reports that are ordinarily reviewed at the committee meeting in this packet as well. I will give a brief narrative of the reports to facilitate your review.

The Executive Report summarizes the year to date general fund revenue and expenditure activity compared to the anticipated budget. As of March 31<sup>st</sup> we collected \$1,982,910.59 which is 23.8% of anticipated operating revenue. Total operating expenditures as of the end of the month were \$1,739,317.94 or 20.0% of anticipated. Total non-operating expenditures were \$545,938.21 or 48.1% of anticipated. Non-operating expenditures includes transfers made from the general fund to other funds such as debt service payment funds, CORMA insurance fund, and reserve funds. Capital equipment expenditures as of March 31<sup>st</sup> are \$108,353.54 which includes park maintenance equipment and one police cruiser.

The Summary of Notable Revenue and Expenditure Items provides a more detailed analysis of revenues and expenditures. At the end of March the anticipated percentage of general fund collections and/or expenditures should range between 21.0% - 30.0% of the projected budget for most items. An exception you may note this month is the collection of real estate taxes in the amount of \$336,180.02 which is 53% of the budget. Real estate taxes are paid to the city twice a year with the first installment being received in March. At this time RITA income tax collections are at 21.6% of budget. Additional information will be made available soon concerning projections of the impact of COVID-19 on future RITA collections. Expenditures by department are within the anticipated percentage with IT being slightly higher due to annual contractual obligation costs being paid at the beginning of the year.

The remaining pages provide comparisons to previous years for Development and Programming funds as well as a few graphs comparing general fund revenues and expenditures since 2017.

The Statement of Cash Position reports, Bank report, Revenue report, Expenditure report, and Income Tax reports are also included in your packet.

As always, please let me know if you have any questions. Thank you and stay well.

Sincerely,

*Karen Sybert*

- ▶ The “Development” fees are what we look at to see if approximately 50% of the costs for the Building, Development and Engineering Departments are covered by the fees generated. It is estimated that approximately half of their work is related to city services and those services should be covered by resident taxes.

The City has collected \$106,000.22 in Development-related revenue and the Building, Development and Engineering Department costs are \$208,491.68. As of March, fees collected covered 50.8% of the costs. Below is a chart for the same comparable period:
