

**“All gave some,
some gave all.”**

The Greater Powell Veterans Memorial Foundation was formed after a local soldier was killed in action in Iraq and members of the Powell community wanted a way to remember him and all veterans as well as express gratitude for their sacrifice.

The Memorial was built to honor all veterans past, present and future and is a place of reflection and remembrance.

Ceremonies are held three times a year at the Memorial: Memorial Day, Patriots Day (9/11) and Veterans Day.

Bricks are dedicated twice a year on Memorial Day and Veterans Day.
