CRISIS INTERVENTION TEAM

Police respond to many calls that are not criminal in nature. Using a CIT (Crisis Intervention Team) disposition notifies HelpLine of Delaware and Morrow Counties that there is a need for further assistance. HelpLine reviews the call information and assigns follow up by agencies such as Maryhaven, SourcePoint, Syntero, or the Delaware County Board of Mental Health.

❖ In April, there were three calls with CIT dispositions. ♦

USE OF FORCE

The Powell Police Department carefully tracks all uses of force by the agency. There was one use of force in April.

❖ Officers were dispatched to a domestic to assist the Delaware County Sheriff's Office. A father stated that his son, who has mental health issues, assaulted him. The son would not obey police orders and struck out at officers who attempted to detain him, biting a deputy and head-butting a Powell officer. The youth was arrested without injury. Medics treated the officers' minor injuries. ♦
