All disbursements to Developer shall be made payable to Tanglewood Golf Course Company, Inc., dba Verona, LLC, Tax ID #83-0384886.

Section 6.3. Final Disbursement. Upon final completion of the Work and acceptance by the County, Developer shall deliver to City copies of unconditional final lien waivers executed by all subcontractors, suppliers or lien claimants. Payment of the final disbursement shall be conditioned upon the Public Infrastructure Improvements being determined to be complete under Article IV of this Agreement and satisfaction of all other final payment conditions.

Section 6.4. Tax Covenants. The obligation of the City to make payments to the Developer pursuant to this Agreement is not an obligation or pledge of any moneys raised by taxation and does not represent or constitute a debt or pledge of the faith and credit of the City. Except for the payment from the Developer Reimbursement Amount described in this Agreement, the Developer shall receive no other monies from the City in connection with the construction of the Public Infrastructure Improvements.

ARTICLE VII

EVENTS OF DEFAULT AND REMEDIES

Section 7.1. General. Except as otherwise provided in this Agreement, in the event of any default in or breach of this Agreement, or any of its terms or conditions, by either Party hereto (each an "*Event of Default*"), such Party shall, upon written notice from the other, proceed promptly to cure or remedy such default or breach, and, in any event, within thirty (30) days after receipt of such notice. In the event such default or breach is of such nature that it cannot be cured or remedied within said thirty (30) day period, then in such event the Party shall upon written notice from the other commence its actions to cure or remedy said breach within said thirty (30) day period, and proceed diligently thereafter to cure or remedy said breach. In case such action is not taken or not diligently pursued, or the default or breach shall not be cured or remedied within a reasonable time, the following remedies may be pursued: (i) the aggrieved party may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy such default or breach, including, but not limited to, proceedings to compel specific performance by the party in default or breach of its obligations; and (ii) in addition, if the default or breach is a failure of the Developer to achieve completion of the Work, as adjusted by Change Order, then City may proceed to perform the Developer's obligations under this Agreement, and pay the costs thereof without reimbursement to the Developer hereunder.

Section 7.2. Other Rights and Remedies; No Waiver by Delay. The Parties shall each have the right to institute such actions or proceedings as it may deem desirable for effectuating the purposes of, and its remedies under, this Agreement; provided, that any delay by either party in instituting or prosecuting any such actions or proceedings or otherwise asserting its rights under this Agreement shall not operate as a waiver of such rights or to deprive it of or limit such right in any way (it being the intent of this provision that neither party should be constrained, so as to avoid the risk of being deprived of or limited in the exercise of the remedy provided in this Agreement because of concepts of waiver, laches, or otherwise, to exercise such remedy at a time when it may still hope otherwise to resolve the problems created by the default involved); nor shall any waiver in fact made by either party with respect to any specific default by the other party under this Agreement be considered or treated as a waiver of the rights of such party with respect to any other defaults by the other party to this Agreement or with respect to the particular default except to the extent specifically waived in writing.

Section 7.3. Force Majeure. Notwithstanding anything contained in Sections 7.1 and 7.2 to the contrary and except as otherwise provided herein, no Party shall be considered in default in its obligations to be performed hereunder, if delay in the performance of such obligations is due to unforeseeable causes beyond its control and without its fault or negligence, including but not limited to, acts of God or of the public enemy, acts or delays of the other party, fires, floods,

unusually severe weather, epidemics, freight embargoes, unavailability of materials, strikes or delays of contractors, subcontractors or materialmen, but not including lack of financial capacity by a Party; it being the purpose and intent of this paragraph that in the event of the occurrence of any such enforced delay, the time or times for performance of such obligations shall be extended for the period of the enforced delay; provided, however, that the Party seeking the benefit of the provisions of this Section 7.3 shall within fourteen (14) days after the beginning of such enforced delay, notify the other Party in writing thereof and of the cause thereof and of the duration thereof or, if a continuing delay and cause, the estimated duration thereof, and if the delay is continuing on the date of notification, within thirty (30) days after the end of the delay, notify the other Party in writing of the duration of the delay.

ARTICLE VIII
