Mr. D. Grant Crawford  
Director of Public Service  
47 Hall Street  
Powell, Ohio 43065

Dear Mr. Crawford,

Thank you for your time last Friday. Kevin and I will get the items you requested to you this week.  
**Could we please formally request that Carriage Farms be Conditionally Approved for building permits.**

As discussed, we would like to keep the current bond in place, and it is anticipated that the remaining few items will be completed prior to any C/O for the houses we are looking to start.

We certainly appreciate your guidance regarding this matter. Please feel free to call me at 614-940-4878.

Sincerely,

Rick Towle
