Residency Information

Programs and rentals offered by Powell Parks and Recreation have resident (R) and non-resident (NR) fees. Resident fees apply to those who live or work in the city limits of Powell, including all adult and child household members. These households and companies pay taxes that support the Powell Parks and Recreation Department and qualify for the resident rate for programs and rentals. All others pay the listed non-resident rate.

If you are unsure of your residency status, please use the Delaware County Auditor’s website to check your address and tax district:

General Information

Photo Release

By registering for, or attending, any City of Powell Parks and Recreation Department program, class, or event, you are agreeing to allow the publication of any photos taken of you and/or your child at any program, class, event or facility of the City of Powell Parks & Recreation Department.

Class Cancellation

The City of Powell Parks and Recreation Department reserves the right to cancel classes due to low enrollment and/or other unforeseen circumstances. In the case of a program/class cancellation, you will be notified and issued a full refund in the form of a check or to the credit card used for purchase. Refunds take approximately four weeks to process. When a program/class is canceled due to low enrollment, every effort will be made to notify you 48 hours in advance via e-mail. Prepare to attend each class unless you are notified by a City of Powell employee or the program instructor.

Refunds

Participant-requested refunds are subject to a processing fee. For courses less than \$50 there is a flat \$5 processing fee, and for course fees over \$51 there is a 10% processing fee. Refunds will be granted only when requested no later than five days prior to the first class meeting. Since decisions to maintain classes are based on the enrollment at the first session, no refunds are granted after the first session. In the case of maximum class enrollment or class cancellation, you will be granted a full check refund. Please allow four weeks for processing all refunds. Refunds for camps may incur additional fees. All in person payments will be refunded in the form of a check.

Anticipate to participate. Register early.

Waiting until the last minute could mean the program you are interested in will be canceled. In order for a class to survive, we must have at least the minimum number of registrants 48 hours prior to the start of the first class. Attempting to enroll on the day classes are set to begin will not save the class. PLEASE REGISTER EARLY.

You can share your talents.

The City of Powell Parks & Recreation Department is continually seeking potential instructors with the desire and ability to teach. If you have a special skill, practical knowledge or experience in an area that you would like to share, we would like to work with you to set up a program. Contact Gina Kolp at 614.885.5380, ext. 1069 to take advantage of this great experience and opportunity.

RecSchool

Powell RecSchool

Ages 4-6 | Instructor: Jill Alfred, Miss Gina | We will incorporate school readiness through play to learn activities, and will focus on social-emotional learning, all while incorporating fun into everything we do. Each day will be 2.5 hours and include: free play, circle time, arts and crafts, snack, large muscle play, and when the weather cooperates time outdoors. Our teachers hold degrees in early childhood education and believe that children learn best through play. We are on a continuous enrollment and welcome all young learners to the RecSchool program!

We are happy to work with you to make a payment plan. Please email Miss Gina (gakolp@cityofpowell.us) to set up. Cost break down is monthly: \$218.75/residents and \$250/non-residents.

Open Gym & Stories

Open Gym & Stories for ALL

Ages 1-6 | Instructor: Jill Alfred | One of the best ways to encourage children to love and value reading and books is to actively participate in fun, engaging literature! Please join us at KSM for Open Gym and Stories for All! Each week will include open gym with blocks, Legos, racing rollercoasters, bowling, and balls. Then, we gather for a 20 minute story time. Story time will include rich literature, nursery rhymes, finger plays, and movement songs. It will conclude with bubbles and stamps for each friend. Join us to get the wiggles out, burn off energy, and enjoy stories and such with other kids and their grown ups.

Register for all 13 classes at a discounted rate.

Music

Music Together

Ages 0-6 | Instructor: Nicole White | You can register for the first session with Music Together by visiting their website: <https://www.wholeysisters.com/register.aspx>

Our weekly 45-minute Mixed age Family Music Together classes (ages birth to 6 years with a caregiver) include songs, rhythmic chants, movement, instrument play, and of course lots of fun!

These activities are presented as informal, non-performance-oriented musical experiences developmentally appropriate for children and easy for caregivers regardless of their own musical ability. A CD, an MP3 downloadable version of the song collection, a songbook, a new family music development booklet, a Music Together growth chart, access to the Music Together Family Music Zone, and the Hello Everybody app are included! Each week, a trained Music Together instructor leads the class in singing, dancing, and playing songs that range from tender lullabies to boisterous jams using child-friendly percussion instruments. Our award-winning music, illustrated songbook, and other print and online resources will help you continue the music-making fun at home and nurture your child's musical growth—even if you don't think of yourself as a great singer or dancer. Like parenting, making music requires no previous experience or expertise, just willingness to get down on the floor and silly with your child!

Join us for an action-packed LEGO Robot Camp where students dive into the captivating world of robotics. They'll have the opportunity to unleash their creativity as they design, assemble, and program robots that will engage in exciting battles within our specialized arenas. This camp seamlessly blends engineering, programming, and inventive thinking as kids compete head-to-head to see who can claim the title of the last robot standing.

No prior experience is required! Our expert instructors will guide students through the entire process of crafting, building, and programming their robots for epic showdowns against other formidable bots. Plus, we provide snacks to fuel the fun!

From Gamers to Game Creators: Channel your child's enthusiasm for video games into something more productive with our cutting-edge class! Video game design instruction where kids can transform from mere players into skilled creators. Software is a free download so your child can continue to program video games after class.

Get ready to embark on a journey of excitement with Ready, Set LEGO!! Register now!

Adult Activities

Cards & Games

Ages 55 | Instructor: Jill Alfred | Are you retired? Bored? Dreading the long winter months? Join us at Adventure Park for one afternoon each week. On Thursday afternoons we will play cards and games and enjoy light refreshments with other senior adults from the area. Games might include euchre, bridge, dominoes, or anything else the group is interested in learning or playing. This is a non-competitive group where beginners are welcome and encouraged so sign up and come see if there might be a new friend in your future!

Register for ALL and receive a 25% discount! If you're unable to make this commitment we understand and encourage you to register for the monthly or daily option.
