Photo Release

By registering for, or attending, any City of Powell Parks and Recreation Department program, class, or event, you are agreeing to allow the publication of any photos taken of you and/or your child at any program, class, event or facility of the City of Powell Parks & Recreation Department.

Class Cancellation

The City of Powell Parks and Recreation Department reserves the right to cancel classes due to low enrollment and/or other unforeseen circumstances. In the case of a program/class cancellation, you will be notified and issued a full refund in the form of a check or to the credit card used for purchase. Refunds take approximately four weeks to process. When a program/class is canceled due to low enrollment, every effort will be made to notify you 48 hours in advance via e-mail. Prepare to attend each class unless you are notified by a City of Powell employee or the program instructor.

Refunds

Participant-requested refunds are subject to a processing fee. For courses less than \$50 there is a flat \$5 processing fee, and for course fees over \$51 there is a 10% processing fee. Refunds will be granted only when requested no later than five days prior to the first class meeting. Since decisions to maintain classes are based on the enrollment at the first session, no refunds are granted after the first session. In the case of maximum class enrollment or class cancellation, you will be granted a full check refund. Please allow four weeks for processing all refunds. Refunds for camps may incur additional fees. All in person payments will be refunded in the form of a check.

Anticipate to participate. Register early.

Waiting until the last minute could mean the program you are interested in will be canceled. In order for a class to survive, we must have at least the minimum number of registrants 48 hours prior to the start of the first class. Attempting to enroll on the day classes are set to begin will not save the class. PLEASE REGISTER EARLY.

You can share your talents.

Music Together

Ages 0-6 | Instructor Nicole White

Our weekly 45-minute Mixed age Family Music Together classes (ages birth to 6 years with a caregiver) include songs, rhythmic chants, movement, instrument play, and of course lots of fun! More details at: www.wholesisters.com

These activities are presented as informal, non-performance-oriented musical experiences developmentally appropriate for children and easy for caregivers regardless of their own musical ability. A CD, an MP3 downloadable version of the song collection, a songbook, a new family music development booklet, a Music Together growth chart, access to the Music Together Family Music Zone, and the Hello Everybody app are included! Each week, a trained Music Together instructor leads the class in singing, dancing, and playing songs that range from tender lullabies to boisterous jams using child-friendly percussion instruments. Our award-winning music, illustrated songbook, and other print and online resources will help you continue the music-making fun at home and nurture your child's musical growth—even if you don't think of yourself as a great singer or dancer. Like parenting, making music requires no previous experience or expertise, just willingness to get down on the floor and silly with your child!
